#### For the

Services Agency Information System (SAIS)	
United States Air Force	

### **SECTION 1: IS A PIA REQUIRED?**

a. Will this Department of Defense (DoD) information system or electronic collection of
information (referred to as an "electronic collection" for the purpose of this form) collect,
maintain, use, and/or disseminate PII about members of the public, Federal personnel,
contractors or foreign nationals employed at U.S. military facilities internationally? Choose
one option from the choices below. (Choose (3) for foreign nationals).

	(1)	Yes, from members of the general public.
$\boxtimes$	(2)	Yes, from Federal personnel* and/or Federal contractors.
	(3)	Yes, from both members of the general public and Federal personnel and/or Federal contractors.
	(4)	No

b. If "No," ensure that DITPR or the authoritative database that updates DITPR is annotated for the reason(s) why a PIA is not required. If the DoD information system or electronic collection is not in DITPR, ensure that the reason(s) are recorded in appropriate documentation.

c. If "Yes," then a PIA is required. Proceed to Section 2.

Yes **Enter OMB Control Number Enter Expiration Date**  $\boxtimes$ No f. Authority to collect information. A Federal law, Executive Order of the President (EO), or DoD requirement must authorize the collection and maintenance of a system of records. (1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be the same. (2) Cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply.) (a) Whenever possible, cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII. (b) If a specific statute or EO does not exist, determine if an indirect statutory authority can be cited. An indirect authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records. (c) DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component should be identified. The Internal Revenue Code 3402(f)(2)(A) and 6109.

e. Does this DoD information system or electronic collection have an OMB Control Number? Contact the Component Information Management Control Officer or DoD Clearance Officer for this information.

Functional User Application System making up HQ Services Agency Information System. Web base n-tier architecture (web, transaction, and database servers). Application modules include financial, employee benefits, and information analysis data.
SAIS is a system of systems. Fifteen modules are included in SAIS. They include: NAF W-2G Print (allows printing of NAF W-2G worldwide), NAF Asset and Liabilities Insurance program, web based Treasury Management Electronic Fund Transfer, NAF Resale Inventory, Services Agency Financial Reporting System (Profit and Loss reporting on base activities worldwide (7000.12 reports)), Employee Benefits (NAF Group Health and Life Insurance reporting), Operational Ratio Comparison Analysis, Risk Management, Services Conference Online Registration, Vehicle Maintenance System, Base Projects, Excellence in Competition, Company Grade Officer Training Plan and Commercial Sponsorship Management System.
SAIS uses an in-house developed Application Manager (AM). The AM directs the user to his/her application. It also checks the permissions before directing them to the application. AM also handles the authentication and identification into SAIS. None of the user applications under SAIS, such as Assets and Liabilities, W2 Print, etc. can operate without the AM.
(2) Briefly describe the privacy risks associated with the PII collected and how these risks are addressed to safeguard privacy.
There are no risks associated with privacy. All users accessing the database via web must have PKI authentication.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component (e.g., other DoD Components, Federal Agencies)? Indicate all that apply.
