

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

1. DOD INFORMATION SYSTEM/ELECTRONIC COLLECTION NAME:

Air Force Directory Services (AFDS)

2. DOD COMPONENT NAME:

United States Air Force

3. PIA APPROVAL DATE:

06/19/20

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: foreign nationals are included in general public.)

- From members of the general public From Federal employees and/or Federal contractors
 From both members of the general public and Federal employees and/or Federal contractors Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one)

- New DoD Information System New Electronic Collection
 Existing DoD Information System Existing Electronic Collection
 Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

Air Force Directory Services (AFDS) facilitates data transparency for Air Force and Department of Defense systems and applications by providing a single source from which to obtain identity data. AFDS receives information related to individuals from DoD and AF sources, consolidates the data into a standardized record and distributes records to AF customers for identity management and authentication. AFDS customers are system owners that use data to validate identity of users (i.e. CCE or Portal).

Type of personal information: Citizenship, Employment Information, Home/Cell Phone, Mailing/Home Address, Military Records, Official Duty Address, Work Email Address, Birth Date, Education Information, Official Duty Telephone number, Personal E-mail Address, Position/Title, Rank/Grade, DoD ID Number, Gender/Gender Identification, Name(s), Other ID Number, and Social Security Number. (ref. section 2a of this document)

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

PII is provided by DoD and AF sources to AFDS; AFDS provides the AF customers the information to allow customers to confirm the identity of users for their respective system.

e. Do individuals have the opportunity to object to the collection of their PII? Yes No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

AFDS receives PII from DoD and AF sources; those sources are required to notify individuals of the collection of respective PII. AFDS systems do not interface with individuals only DoD and AF approved authoritative sources.

AFDS falls under Exception 1 (DoD employees who have a need to know the information in the performance of their official duties) and Exemption 3 (The DoD 'Blanket Routine Uses' published at the beginning of the Air Force's compilation of System of Record Notices) apply to this system.

f. Do individuals have the opportunity to consent to the specific uses of their PII? Yes No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

AFDS receives PII from DoD and AF sources; those sources are required to provide the opportunity to consent to the specific uses of their respective PII. AFDS systems do not interface with individuals only DoD and AF approved authoritative sources.

AFDS falls under Exception 1 (DoD employees who have a need to know the information in the performance of their official duties) and Exemption 3 (The DoD 'Blanket Routine Uses' published at the beginning of the Air Force's compilation of System of Record Notices) apply to this system.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)

Privacy Act Statement Privacy Advisory Not Applicable

Data is not collected directly from individuals. Systems from which data is collected are responsible for ensuring a Privacy Act Statement is provided upon collection.

h. With whom will the PII be shared through data exchange, both within your DoD Component and outside your Component? (Check all that apply)

Within the DoD Component

Specify.

k. Does this DoD Information system or electronic collection require a Privacy Act System of Records Notice (SORN)?

A Privacy Act SORN is required if the information system or electronic collection contains information about U.S. citizens or lawful permanent U.S. residents that is retrieved by name or other unique identifier. PIA and Privacy Act SORN information must be consistent.

Yes No

If "Yes," enter SORN System Identifier

SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or <http://dpcl.d.defense.gov/Privacy/SORNs/>
or

If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date

If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.

A SORN is not required because AFDS is not the System of Record; the authoritative source providing data is the system of record and AFDS is a re-distributor. AFDS does not originate the record, AFDS distributes to Air Force agencies for authentication of users.

I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?

(1) NARA Job Number or General Records Schedule Authority.

DAA-GRS-2013-0006-0003

(2) If pending, provide the date the SF-115 was submitted to NARA.

(3) Retention Instructions.

GRS 3.2 (Information Systems Security Records) Item 30 -- Destroy when business use ceases.

m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statute or Executive Order.

(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.

(2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).

(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.

(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.

(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.

- Air Force Policy Directive Instruction 33-3, Information Management, 23 April 2010

n. Does this DoD information system or electronic collection have an active and approved Office of Management and Budget (OMB) Control Number?

Contact the Component Information Management Control Officer or DoD Clearance Officer for this information. This number indicates OMB approval to collect data from 10 or more members of the public in a 12-month period regardless of form or format.

Yes No Pending

(1) If "Yes," list all applicable OMB Control Numbers, collection titles, and expiration dates.

(2) If "No," explain why OMB approval is not required in accordance with DoD Manual 8910.01, Volume 2, "DoD Information Collections Manual: Procedures for DoD Public Information Collections."

(3) If "Pending," provide the date for the 60 and/or 30 day notice and the Federal Register citation.

AFDS systems do not interface with individuals only DoD and AF approved authoritative sources.

NOTE: Sections 1 above is to be posted to the Component's Web site. Posting of these Sections indicates that the PIA has been reviewed to ensure that appropriate safeguards are in place to protect privacy. A Component may restrict the publication of Sections 1 if they contain information that would reveal sensitive information or raise security concerns.
