

PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

SECTION 1: PII DESCRIPTION SUMMARY (FOR PUBLIC RELEASE)

a. The PII is: (Check one. Note: Federal contractors, military family members, and foreign nationals are included in general public.)

- ☐ From members of the general public ☒ From Federal employees
- ☐ from both members of the general public and Federal employees ☐ Not Collected (if checked proceed to Section 4)

b. The PII is in a: (Check one.)

- ☐ New DoD Information System ☐ New Electronic Collection
- ☒ Existing DoD Information System ☐ Existing Electronic Collection
- ☐ Significantly Modified DoD Information System

c. Describe the purpose of this DoD information system or electronic collection and describe the types of personal information about individuals collected in the system.

TIMES is an Air Force mobilization system designed to enable timely and efficient Title 10 activation of Air Reserve Component (ARC) forces to support Global Force Management (GFM) and non-GFM operational requirements. TIMES streamlines the flow of information from Combatant Commander and MAJCOM requirement to Airmen selection and orders generation. The type of PII collected is home/cell phone, mailing/home address, military records, official duty address, passport information, work e-mail address, birth date, education information, financial information, marital status, official duty telephone, position/title, rank/grade, security information, child information, DoD ID number, gender/gender identification, medical information, names, and social security number.

d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)

PII is collected for the mission-related use of delivering orders (AF Form 938 Request and Authorization for Active Duty Training/Active Tour, Contingency Exercise Deployment (CED) orders, and North Atlantic Treaty Organization (NATO) orders) in support of worldwide mobilization activations as well as data matching and reconciliation. Upon account creation, Common Access Card (CAC) information is collected for verification, identification, and authentication into the system.

e. Do individuals have the opportunity to object to the collection of their PII? ☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can object to the collection of PII.

(2) If "No," state the reason why individuals cannot object to the collection of PII.

The information in the system is retrieved from other information systems and not the individual. The Air Force's rules for accessing records and for contesting contents and appealing initial agency determinations are contained in Air Force Instruction 33-332.

f. Do individuals have the opportunity to consent to the specific uses of their PII? ☐ Yes ☒ No

(1) If "Yes," describe the method by which individuals can give or withhold their consent.

(2) If "No," state the reason why individuals cannot give or withhold their consent.

The information in the system is retrieved from other information systems and not the individual. Activation of all individuals requires access to PII in order to promptly enroll members in TRICARE, Defense Enrollment Eligibility Reporting System (DEERS), and process mobilizations.

g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and provide the actual wording.)
